

WHAT WE OFFER

Two Programs, *One Future.*

POST GRADUATION STACK

MBA

MASTER OF BUSINESS ADMINISTRATION
2 YEARS · FULL-TIME · 300 SEATS · KMAT / PG CET / CAT

CCJ's MBA fuses **core management principles** with cutting-edge AI and technical training. You'll cover business strategy, finance, and leadership — while simultaneously building real skills in data analytics, AI-powered marketing, FinTech, and intelligent decision-making. Expect internships, Apple Lab access, international immersions, and a placement cell that works as hard as you do.

Specialization

98% PLACEMENT RATE
4L-12L Avg. PACKAGE

6 specializations. One guarantee — every path leads to a career that AI can't automate away, because you'll be the one running the AI.

<p>MBA Regular Foundation · Leadership</p>	<p>EMBA AI Executive</p>	<p>MBA AI/ML AI · Machine Learning</p>
<p>MBA AI Data Science Analytics · AI Tools</p>	<p>MBA Project Management CAPM Agile · Leadership</p>	<p>MBA AI for content Marketing & Design Content · Brand · Design</p>

MASTER OF COMPUTER APPLICATIONS
2 YEARS · FULL-TIME · 180 SEATS · KMAT / PG CET

MCA

Our MCA prepares you to **build intelligent systems**, not just code. The curriculum spans core computer science, AI/ML, cybersecurity, cloud, and data science — with deep lab work, mini-projects, major projects, and industry exposure built in. You graduate as an engineer who understands both the machine and the business.

Specialization

98% PLACEMENT RATE
4L-12L Avg. PACKAGE

6 specializations built around one truth — companies don't need more coders. They need engineers who think. Choose your track. We handle the rest.

Global Learning and International Exchange Programs

City College Jayanagar offers extensive international collaboration opportunities for both students and faculty through our robust exchange programs. Our MBA students benefit from these global partnerships by participating in international study programs and gaining exposure to diverse business practices and technological advancements. Each year, students can attend international programs in other countries, where they can earn valuable certifications and broaden their understanding of the global business landscape. These experiences are designed to enrich their education, enhance their professional skills, and prepare them to excel in an increasingly interconnected world. Join us at City College Jayanagar and take advantage of these unique opportunities to learn, explore, and grow on an international platform.

The Apple Lab at City College

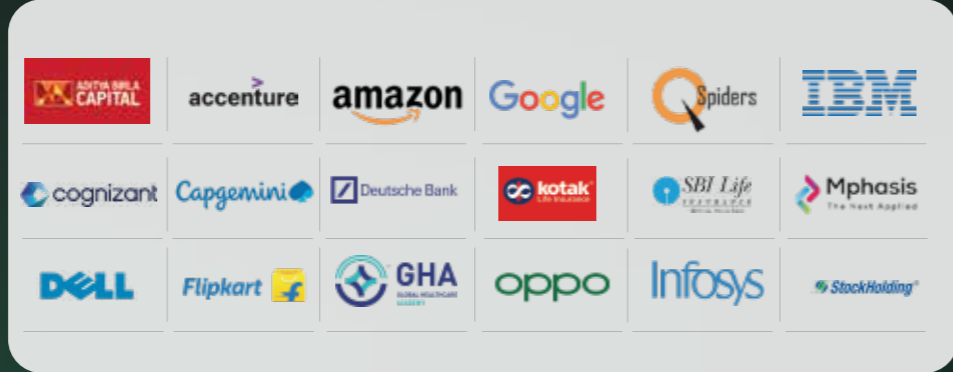

Our MBA and MCA Regular program uniquely combines traditional business education with cutting-edge Technical training. The comprehensive curriculum covers core management principles while integrating value-added certifications to enhance your competitive edge in today's job market. We emphasize real-world experience by providing extensive placement support, organizing industrial visits, offering internships, and facilitating student exchange Programs and international study tours. This approach ensures that you are well-prepared to excel in diverse business environments and take on leadership roles across various industries.

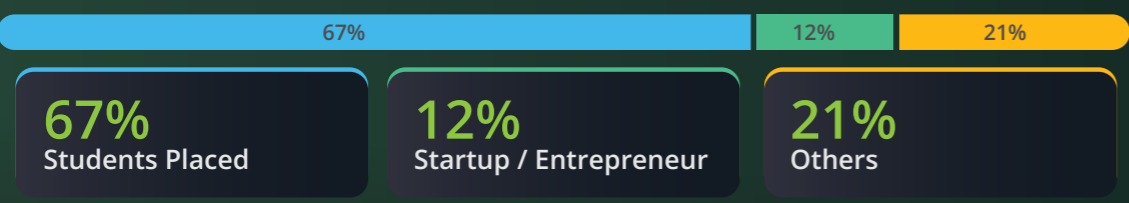

"City College Students in Malaysia. Student Exchange Program."

PLACEMENT

At the Career & Development Cell (CDC) at City College, we help students and alumni align their skills with job opportunities. Our activities include seminars on industry trends, workshops on resume writing and interview techniques, and orientation sessions on company selection processes. Guest speakers offer valuable advice. Our programs ensure students and alumni are well-prepared to navigate the job market confidently. We are committed to supporting career exploration and skill development.
