3.4.1 - Outcomes of extension activities in the neighborhood community in terms of impact and sensitizing the students to social issues for their holistic development during the last five years

City College organizes and participates in various extension activities to promote College-Neighborhood-Community network. Major emphasis is given on student engagement, service orientation and holistic development of students contributing to good citizenship. Students actively participated in Orphanage home education programs, Anti-ragging , Drug awareness program, Human Rights, Environment day, Women and Child safety, Green Camps, Swachh bharat abhiyaan, Yoga and Meditation which run throughout the year in collaboration with NGO's. Students not only learn life skills, preparing them for life ahead by inculcating the habits of teamwork, cooperation, and healthy competition. Students organize various events such as sports events, and co-curricular activities throughout the year for the students.. These students also take part in social help to Orphanage people by distributing blankets and warm clothes and other essentials too. They learn the concept of aiding help to society in a variety of ways. The objective of these activities is to make youngsters sensitive to their surroundings and practical understanding of concepts of human values. These are the ongoing activities carried by our students every year. Our students wholeheartedly participate in blood donation events organized in the college every year. The mass participation shows their inner values of harmony and mercy. Students also participate in various patriotic events with enthusiasm, be it celebration of Independence Day, Republic Day or candle light march for Pulwama martyrs. Students also raised/collected funds for the Prime Minister Welfare fund for war heroes, and for the National foundation for communal harmony, Govt. of India. College & department clubs organizes regular activities on social & environment issues including seminars, Anti-ragging , Women s Day, Drug awareness program, Talk on Human Rights,tree plantation drives, and invited talks by social figures, orientation programs, celebration of Yoga day etc. Such events witnesses' mass participation of our students.

REPORT ON ENVIRONMENTAL DAY CELEBRATIONS AT CITY COLLEGE ON 5TH JUNE 2024

On 5th June 2024, City College celebrated National Environmental Day with tremendous fervor and a series of meaningful activities aimed at raising awareness about environmental protection. The event saw active participation from both students and faculty, with the National Service Scheme (NSS) committee playing a pivotal role in organizing the day's events. The celebrations commenced with an inspiring speech by the Principal Dr. Puttaraj. P, who emphasized the importance of Environmental Day and the pressing need to save the environment.

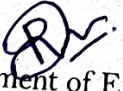

Following the speech, a rally was organized with the assistance of the NSS committee. Students and faculty members marched together, spreading messages of environmental conservation holding placards and banners with slogans advocating for a cleaner, greener planet.

One of the key activities of the day was the distribution of saplings. Participants in the rally handed out saplings to various community members, including auto-rickshaw drivers, police officers at the local police station, and commuters at the metro station.

Women and Child Safety Awareness Camp

City College has arranged a women and child safety awareness camp for the students of MBA on 29/2/2024 at 11am in seminar hall. This camp was associated with NIRBHAYA KENDRA – SAKHI ONE STOP CENTER. The main motive of this camp was to provide awareness of the Indian Laws concerned with women and child safety.

The women face umpteen problems in their life. The women are left abandoned because they are harshly stigmatized by society and many more reasons that could ever be imagined. Once they are brought in mainstream and given an opportunity, they would also get a chance to prove their capabilities. Women and children are the elixirs of society, but unfortunately, they have suffered for ages, and they still are. Being extremely vulnerable to violence, exploitation, and abuse, they are required to be protected with the utmost care.

Green Campus

A Green Campus is a place where environmental friendly practices and education combine to promote sustainable and eco-friendly practices in the campus. The green campus concept offers an institution the opportunity to take the lead in redefining its environmental culture and developing new paradigms by creating sustainable solutions to environmental, social and economic needs of the mankind.

City College has made all the necessary efforts to involve the students, faculty and staff in "Green Campus Initiatives" by distributing plants to the local people on the roadside by giving them an awareness of keeping the environment green by planting a tree.

The Swachh Bharat - Clean India Abhiyan was an important milestone in improving sanitation practices across the nation. However, our journey towards a clean India is far from its goal. Individuals must continue to maintain hygiene practices individually and within their communities to realise the dream of a clean and hygienic India.

Objectives:

The primary objectives of the Swachh Bharat mission included:

- Discouraging open defecation by constructing toilets nationwide.
- Increasing awareness about hygiene and clean sanitation practices.
- Ensuring proper waste disposal management.
- To concentrate on scientific waste management strategies for both solid and liquid waste
- Raising awareness about the importance of sanitation and hygiene.

Initially, this Swachh Bharat Abhiyan campaign was run on a national level in all the towns, rural and urban areas. Sanitation needs to be seen as a life cycle issue and hence providing sanitation facilities at work, education and other public spaces are important, at our city college we organized Swachh Bharat mission by cleaning at out college premises. The awareness campaigns and various programmes associated with the 'Clean India' mission spread awareness about the importance of maintaining clean surroundings and educated the masses on hygienic sanitation practices.

A key element of the communication strategy was "People should neither litter nor let others litter" which evoked a sense of responsibility to those who joined with the cause and inspired others to follow in their footsteps.

Swachh Bharat Abhiyan Objective

The major objective of the Swachh Bharat Abhiyan is to spread the awareness of cleanliness and the importance of it.

The concept of Swachh Bharat Abhiyan is to provide basic sanitation facilities like toilets, solid and liquid waste disposal systems, village cleanliness, and safe and adequate drinking water supply to every person.

HESARAITHU KARNATAKA - 50

KARNATAKA RAJYOTSAVA PROGRAMME

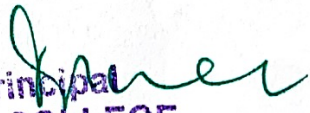

It has been 50 years since the state of Karnataka was named 'Karnataka'. The state of Karnataka was integrated on November 1, 1956. From here, it was called 'Mysore State'. Aluru Venkataraya wrote a poem titled 'Karnataka Gadha Vybhava' and introduced the beauty of Kannada land to name the state of Mysore as 'Karnataka' due to the representation of Kannada speakers through the state, when the linguistic provinces were formed. Then on 1st November 1973, 'Mysore State' was renamed as 'Karnataka' by 'D Devaraja Arasu'.

On the occasion of the 50th anniversary of the naming of Karnataka, on November 1st 2023, the state Government of Karnataka has suggested that 'Kannadambhe' should be honoured by singing 5 songs representing kannada naadu nodi, under the name 'Hesaraithu Karnataka Usiragali Kannada' to signify Kannada - Kannadika - Karnataka.

1. Huilagola Narayanaraya's 'Udayavagali Namma Cheluva Kannada naadu'
2. Kuvempu's 'Elladaru iru enthadaru iru'
3. D R Bendre's 'Onde onde Karnataka onde'
4. Siddaiah puranika's 'hothitho hothithu kannada deepa'
5. Chennaveera Kanavi's 'Hesaraithu Karnataka'

In order to celebrate 50 years of Karnataka Rajyotsava in City college, 'quiz programme, music competition - folk song, lyrical song, film song competition were organized for the students.

On 18th November, 2023, City college in collaboration with 'Hesaraithu Karnataka', celebrated 50th Karnataka Rajyotsava and Professor Ramalingappa T Begure has arrived as a special guest on the occasion. In his speech, he gave the awareness about

how Kannada language can be incorporated and used in technologies. He gave a lecture on the possibilities of how jobs can be created in Kannada language as well. For this occasion, City PU college Principal Dr. Ranganathan and HOD of science department, Mrs. Anuradha were present. City college principal Dr. Puttaraj P, presided over the programme and delivered residential remark on the programme. Teaching and non teaching staffs and students participated on the programme and students conducted a cultural programme on the occasion.

Topic: Swachh Bharat Abhiyan

The Swachh Bharat Abhiyan is the most significant cleanliness campaign by the Government of India. To accelerate the efforts to achieve open defecation-free status and universal sanitation coverage throughout India and to put the focus on sanitation, the PM Modi launched the Swachh Bharat Mission. The campaign aims to achieve the vision of a 'Clean India' by 2nd Sep 2022. The Swachh Bharat initiative provides a renewed opportunity to adults and children alike to contribute towards a cleaner India.

Here are some ways individuals could contribute to the mission:

Using Toilets: Access to proper sanitation is not only essential for hygiene but is critical for human dignity. Those with access to toilets must use them to ensure their well-being along with the cleanliness of their surroundings.

Ensuring Proper Waste Disposal: Littering in public places not only pollutes our neighbourhood but is a serious health hazard. It also destroys the natural beauty of the city, so it is important to dispose of waste responsibly.

Maintaining Personal Hygiene: The onset of the COVID-19 pandemic instilled the value of maintaining personal hygiene. However, as the situation gradually normalised, individuals started to neglect hand hygiene and this can lead to illnesses. Therefore, it is important to ensure you keep yourself clean and keep diseases away.

Educating Others: The Clean Indian mission is a collaborative effort towards making India better, so it is important to educate your community and those within your social circle about the importance of hygiene.

Participating in Cleanliness Drives: You can actively contribute to a cleaner society by participating in cleanliness drives held in your city. You can even inspire members within your community to clean local parks, streets, and public spaces by organising cleanliness drives yourself.

Motivational Talk on Moral and Human Values

Date: 20 Sep 2022

Human values and ethics are foundational principles that shape the behavior and decisions of individuals and societies. They serve as guiding lights, providing direction in navigating the complex moral landscape of our world.

In our City College, we have established a code of ethics by instilling values and virtues among students and employees of the Institution to uphold the integrity, dignity and decorum of the Institution. Basic human values represent the intrinsic qualities that define our humanity. The values, such as truth, honesty, loyalty, love, and peace, underpin the fundamental goodness of human beings and society at large. City College organized a motivational talk on instilling moral and human values and speakers were called.

Objectives :

Understanding the importance of human values is paramount, as they:

- Provide insight into attitudes, motivation, and behaviors.
- Influence our perception of the world around us.
- Define our interpretation of "right and wrong."
- Facilitate our understanding of individuals and organizations.

We at City College uphold the following five essential human values that are expected in all individuals, whether they are employees or not, regardless of their profession or service:

ACADEMIC YEAR 2019-20
REPORT ON SWACHH BHARAT CAMP

Day & Date of the Event - Monday 29-8-2022

Venue - City College Vicinity

Number of Participants - 62

INTRODUCTION

The Swachh Bharat Camp was organized at our City College as part of the Swachh Bharat Abhiyan, a national cleanliness initiative launched by the Government of India. The camp aimed to instill a sense of cleanliness and hygiene among students and encourage active participation in maintaining a clean environment. The initiative aligns with the broader goal of achieving a clean and healthy India by promoting sustainable practices in waste management, sanitation, and public hygiene.

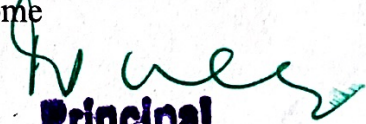

The camp provided a platform for the students about the importance of cleanliness and the benefits of proper sanitation. It included a series of activities designed to raise awareness, impart practical knowledge, and engage our students in hands-on clean-up efforts. The event targeted students to foster a culture of cleanliness and responsibility towards the environment.

The camp played a crucial role in promoting the values of cleanliness and hygiene and demonstrated the positive impact of our student community involvement in national initiatives.

OBJECTIVES OF THE PROGRAM:

Objectives:

- Students participated in cleaning the vicinity and comprehended the significance of cleanliness and its impact on public health, waste segregation, the dangers of open defecation, and the benefits of clean water and sanitation.
- Our student Volunteers participated in clean-up activities in city college surrounding areas, including streets, parks, and public spaces.
- Students were provided with gloves, masks, and cleaning tools, and were guided on proper waste disposal methods.
- The students understood the importance of practices, including recycling, composting, and reducing single-use plastics. The students were encouraged to adopt sustainable waste management practices at home

Principal
CITY COLLEGE
Jayanagar, Bangalore-70

OUTCOME OF THE PROGRAM:

The Swachh Bharat Camp was an impactful event that contributed significantly to promoting cleanliness and hygiene . The camp not only enhanced the cleanliness of the surrounding area but also instilled a sense of responsibility among participants to maintain a clean environment. The event aligned with the goals of the Swachh Bharat Abhiyan and demonstrated the power of student community involvement in achieving these objectives.

REPORT ON CANCER AWARENESS CAMP

Day & Date of the Event - Saturday 31-7-2021

Venue - Seminar Hall

Number of Participants - 140

Resource Person: Dr Shekhar Patil

INTRODUCTION

The Cancer Awareness Camp was organized with the primary aim of educating the student community about the critical aspects of cancer, including its prevention, early detection, and available treatment options. As cancer continues to be a significant health concern globally, raising awareness and providing accurate information are essential steps in combating the disease. This camp was designed to address common misconceptions, encourage proactive health practices, and offer support to those affected by cancer.

The resource person Dr Shekhar Patil from HCG Hospitals Bangalore delivered a lecture on cancer, how to prevent it, what are the symptoms and how to promote healthy behaviors.

The Cancer Awareness Camp was an important initiative in fostering our students and underscoring the importance of early detection and prevention in the fight against cancer.

OBJECTIVES OF THE PROGRAM:

- Healthcare professional Dr Shekhar Patil conducted informative session on different types of cancer, their symptoms, risk factors, and prevention strategies.
- Special focus was given to the importance of early detection through regular screenings and recognizing warning signs.
- Students were guided on how to perform self-examinations and when to seek medical advice.
- Discussions with Dr Shekhar Patil Oncologist provided insights into treatment options, coping strategies, and the psychological impact of cancer. Students were encouraged to ask questions and share their concerns, facilitating a supportive and informative dialogue.

OUTCOME OF THE PROGRAM:

The Cancer Awareness Camp successfully increased awareness about cancer and its prevention. Many students took advantage of the free screenings, with some being advised to seek further

REPORT ON ENVIRONMENT AWARENESS PROGRAM

Day & Date of the Event - Saturday 5.6.2021

Venue - City College

Number of Participants - 110

BRIEF OUTLINE ABOUT THE PROGRAM:

The Environment Awareness Program was held on 05.06.2020 at City College. The primary goal of the event was to educate the students and public about the importance of environmental conservation and promote sustainable practices. The program attracted a diverse group of attendees, including students, local residents, environmental activists, and government representatives.

OBJECTIVE OF THE PROGRAM:

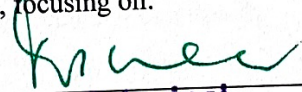

The key objectives of the Environment Awareness Program were:

1. To increase awareness about critical environmental issues such as climate change, pollution, and habitat destruction.
2. To educate participants on sustainable practices that can be implemented in daily life.
3. To encourage community involvement in environmental conservation efforts.
4. To inspire attendees to adopt eco-friendly habits and reduce their environmental footprint.

Program Activities and Sessions

The program was structured into several informative and interactive sessions:

1. **Opening Remarks:** The event commenced with a welcome address by [name], a notable environmentalist, who highlighted the urgency of addressing environmental issues and the role of individuals and communities in making a difference.
2. **Educational Seminars:** Experts in environmental science and sustainability delivered seminars on various topics, including the effects of climate change, the importance of biodiversity, and the challenges of waste management. These sessions provided a comprehensive overview of the current state of the environment and practical steps individuals can take to help.
3. **Workshops:** A series of hands-on workshops were conducted, focusing on:

Principal
CITY COLLEGE
Jayanagar, Bangalore-70

- **Recycling and Upcycling:** Demonstrating creative ways to repurpose waste materials.
 - **Organic Gardening:** Teaching participants how to grow their own food using organic methods.
 - **Energy Conservation:** Providing tips on reducing energy consumption at home and understanding renewable energy sources.
4. **Interactive Exhibits:** Various stalls were set up showcasing eco-friendly products, sustainable technologies, and initiatives by local environmental groups. This gave participants an opportunity to learn about and support sustainable businesses.
 5. **Panel Discussion:** A panel comprising environmental experts, local government officials, and activists discussed the role of policy, education, and community action in environmental conservation. The discussion emphasized the need for collaborative efforts to address environmental challenges.
 6. **Community Engagement Activities:** The program included activities such as a tree-planting drive and a community cleanup, encouraging participants to take immediate action in improving their local environment.

OUTCOME OF THE PROGRAM:

The Environment Awareness Program was a success, with over [number] participants attending. The event succeeded in raising awareness about environmental issues and inspiring participants to make positive changes in their lifestyles. Many attendees expressed their commitment to adopting more sustainable practices and engaging in community-based environmental initiatives.

The program also facilitated networking among participants, fostering a sense of community and shared purpose. The feedback received was overwhelmingly positive, with participants appreciating the informative sessions and practical workshops.

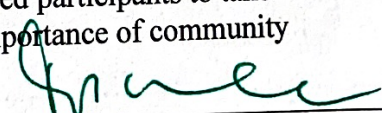

Challenges and Future Recommendations

Despite the success of the event, several challenges were noted:

1. **Limited Reach:** While the program was well-publicized, reaching a wider audience remains a challenge. Future events could benefit from enhanced marketing strategies, including social media campaigns and partnerships with local media outlets.
2. **Sustained Engagement:** Maintaining interest and momentum beyond the event is crucial. Establishing a follow-up mechanism, such as regular newsletters or an online community platform, could help keep participants engaged and informed about ongoing environmental initiatives.

Conclusion

The Environment Awareness Program was an effective initiative in educating and mobilizing the community towards environmental conservation. By providing valuable information, practical workshops, and opportunities for direct action, the program empowered participants to take meaningful steps toward sustainability. The event underscored the importance of community

REPORT ON ANTI RAGGING PROGRAM

Day & Date of the Event - Friday 31.10.2023

Venue - Seminar hall

Number of Participants - 118

Resource Person :Dimanth Ganatra ,Member, Society Against Violence in Education

Ragging is a form of abuse on a fresher or any student, in any institution. Ragging in the college is absolutely banned and hence, any student found indulging in an act of ragging shall meet strict disciplinary action, which may include immediate rustication from the college apart from criminal consequences.

To check, the menace of ragging City College had constituted Anti Ragging cell and organised a talk on anti-ragging in accordance to the guidelines of NAAC.

OBJECTIVES:

Anti-Ragging committee is the supervisory and advisory committee in preserving a culture of ragging free environment in the college. The main objectives of the cell are:

1. To aware the students of dehumanizing effect of ragging inherent in its perversity.
2. To keep a continuous watch and vigil over ragging so as to prevent its occurrence and recurrence.
3. To promptly and strictly deal with the incidents of ragging brought to the notice of the cell
4. To generate an atmosphere of discipline by instructing students about the social and legal repercussions of ragging.
