

## Dr. Prakash Duvvuri Delivers Insightful Lecture on Accreditation & Implementation Process!

In an electrifying event at our college campus on 26th July 2023, renowned academician and expert, Dr. Prakash Duvvuri, M.Sc., Ph.D., (Life Sci - Plant Biotech), EPDT (IIMI), captivated the audience with his enlightening lecture on "General Guidelines of Accreditation & Understanding the Process of Accreditation and Implementation."

The lecture, held in the seminar hall in the esteemed presence of Vice President and Director as well as the Vice Principal of the college attracted a diverse crowd of faculty members, and administrative staff. Dr. Duvvuri, an esteemed figure in the field of accreditation and education, brought his wealth of knowledge and experience to shed light on the vital aspects of accreditation.

NAAC - Seven Criteria for Quality Assessment: The lecture began by introducing the audience to the seven criteria outlined by the National Assessment and Accreditation Council (NAAC) for assessing the quality of Higher Education Institutions (HEIs). These criteria serve as the foundation for evaluating institutional functioning and include:

Curricular Aspects

Teaching-Learning and Evaluation

Research, Innovations, and Extension

Infrastructure and Learning Resources

Student Support and Progression

Governance, Leadership, and Management

Institutional Values and Best Practices

Addressing the significance of accreditation in the academic world, Dr. Duvvuri emphasized its role in maintaining quality standards and fostering continuous improvement in educational

institutions. He elucidated the various steps involved in the accreditation process, providing valuable insights into how institutions can effectively implement the guidelines to attain accreditation.

NAAC - Criteria-wise Allotment of Marks: Dr. Prakash Duvvuri proceeded to elaborate on the allocation of marks for each criterion. The NAAC has assigned different weightages to each criterion to assess the HEIs comprehensively.

Internal Quality Assurance Cell (IQAC): To ensure a quality-centric environment in HEIs, the establishment of an Internal Quality Assurance Cell (IQAC) is of utmost importance. Dr. Prakash Duvvuri stressed the significance of institutionalizing and internalizing initiatives to maintain a quality culture within the institution.

Throughout the lecture, Dr. Duvvuri engaged the audience with real-life examples and case studies, making the complex subject matter easily understandable for everyone present. His expertise and extensive academic background further enriched the lecture, bringing a unique perspective to the discussion.

Attendees left the event inspired and well-informed, equipped with the necessary knowledge to propel our college towards successful accreditation. The event's success reflects the college's commitment to providing its students and faculty with access to distinguished experts like Dr. Prakash Duvvuri.

The lecture by Dr. Prakash Duvvuri provided valuable insights into the accreditation process and the role of IQAC in ensuring institutional excellence. As a college, we are committed to upholding the NAAC criteria and establishing a robust IQAC to foster a culture of continuous improvement and excellence in all aspects of our institution. Stay tuned for more updates on our progress and initiatives in the journey towards accreditation and academic advancement.
