

## **Internal Quality Assurance Cell (IQAC)**

As per National Assessment and Accreditation Council (NAAC) guidelines, City College has established an Internal Quality Assurance Cell (IQAC) as a post-accreditation quality sustenance measure. Since quality enhancement is a continuous process, the IQAC becomes a part of the institution's system and works towards realization of the goals of quality enhancement and sustenance. The prime task of the IQAC is to develop a system for conscious, consistent and catalytic improvement in the overall performance of institutions. The primary aim of IQAC is:

- To develop a system for conscious, consistent and catalytic action to improve the academic and administrative performance of the institution.
- To promote measures for institutional functioning towards quality enhancement through internalization of quality culture and institutionalization of best practices.

### **Vision**

To establish and guarantee a culture of quality focused on overall excellence within the institution.

### **Mission**

To direct and organize an institution's efforts and measures towards achieving academic excellence.

To serve as the motivating force for instilling quality, eliminating deficiencies, and augmenting overall quality

### **Operational Features of the IQAC:**

Some of the functions expected of the IQAC are:

- Development and application of quality benchmarks/parameters for various academic and administrative activities of the institution
- Facilitating the creation of a learner - centric environment conducive to quality education and faculty maturation to adopt the required knowledge and technology for teaching and learning process;
- Arrangement for feedback response from students, parents and other stakeholders on quality-related institutional processes;
- Dissemination of information on various quality parameters of higher education;
- Organizing inter and intra institutional workshops, seminars on quality related themes and promoting quality circles;

- Documentation of the various programmes/activities leading to quality improvement;
- Acting as a nodal agency of the Institution for coordinating quality-related activities, including adoption and dissemination of best practices;
- Development and maintenance of institutional database through MIS for the purpose of maintaining /enhancing the institutional quality;
- Development of Quality Culture in the institution;
- Preparation of the Annual Quality Assurance Report (AQAR) as per guidelines of NAAC

#### IQAC Objectives:

- To achieve the institute's vision and mission in alignment with its quality policy.
- To establish a framework for deliberate, continuous, and transformative actions aimed at enhancing the academic performance of the institution.
- To promote initiatives that facilitate the institutionalization of a quality-oriented mind-set and the integration of best practices to enhance the overall functioning of the organization.

#### IQAC at City College, Jayanagar:
